

Warkari Seva

On 27th June 2019 TMV's IHMCT had organized food distribution activity for the warkaris with a group of 20 students at Dutta Mandir, Navi Peth, Pune. The activity started at around 4pm and ended by 6pm. The warkaris was given batata chivda, rajgira ladoo and water bottles as refreshments.

We respect the faith and hope of warkaris which they carry in their heart throughout their journey to Pandharpur. This activity is carried out every year as a part of community service as it helps students to understand the traditions and cultures of Maharashtra which takes place every year in the city.
